DR. MOSTAFA EL-SAID

Position: Information Systems Program Chair at Grand Valley State University

Relationship: Supervisor

Phone Number: (616) 617-3787

Email: elsaidm@gvsu.edu

I have worked with Dr. El-Said for almost 2 years as the Administrator for the Data Communications Lab at Grand Valley State University. Dr. El-Said has been an important mentor and advisor for me during my time at Grand Valley State University. Through his guidance, I have managed to obtain a lot of essential industry experience and I firmly believe that he would be an excellent person to give a testimony regarding my skillset and professional integrity.

MR. IRA WOODRING

Position: System Administrator for Grand Valley State University

Relationship: Coworker

Phone Number: (616) 890-4285

Email: irawoodring@gmail.com

After becoming employed as the Lab Administrator, I've had the opportunity to frequently work with Ira. In this time, I have found that he is quickly becoming a personal friend as well as a tremendous business connection. I am certain that he can vouch for my abilities as well as my personal integrity.

MR. LARRY BEERY

Position: Faculty Advisor for the Grand Valley Lanthorn

Relationship: Supervisor

Phone Number: (616) 295-5238

Email: beeryl@gvsu.edu

Professor Beery has been a member of the journalism faculty at Grand Valley State University since 1990. Also in that time, he has been the faculty advisor for the student newspaper at Grand Valley, the Lanthorn. Having worked under Mr. Beery for nearly 3 years now, I can confidently say that he has a great respect for my work ethic and can certainly attest to my quality as a website manager and dedication to his newspaper.

MR. TONY HUIZAR

Position: Owner of Huizar Machines Computer Repair

Relationship: Supervisor

Phone Number: (989) 685-5560

Email: tony@huizarmachines.com

I worked for Mr. Huizar as his repair technician before I moved to Grand Rapids to study at Grand Valley. Mr. Huizar manifested himself as one of my earliest references by giving me a position very early in my career. As his apprentice, he taught me the foundation of many of the skills that I have today and I consider him friend as well as a tremendous business associate.
